FUYU

MEANS "WINTER"
IN JAPANESE

This whisky is a small batch production. Mash build : 80% corn 10% malted barley, 10% rye.

Aged 3 years in
American oak barrels.

Mizunara means “water” and “oak” and what makes it special is the fact that it contains lots of water and specific natural sugars that produce the aromas so unique to Japanese whiskies matured in casks like these.
